

Application No. 10/720,772  
Amendment dated January 21, 2006  
Reply to Office Action of January 17, 2006

Docket No.: BA1-02-1482 (02-1482)

**REMARKS**

A Notice of Non-Compliant Amendment was mailed on January 17, 2006, in the above-identified patent application. The Notice of Non-Compliant Amendment stated that the Amendment filed on December 15, 2005, was considered non-compliant because the amendments to the specification must indicate page and paragraph.

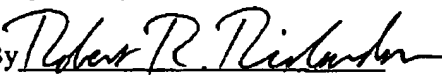

Applicants have supplied the corrected section of the non-compliant amendment. Applicants have indicated page and line numbers for the amendments to the specification. Line numbers have been indicated instead of paragraph numbers because the application as originally filed did not include paragraph numbers but did include line numbers.

In view of the above amendments to the Specification, Applicants submit that the Amendment filed December 15, 2005, is now compliant. Applicants respectfully request entry of the Amendment, reconsideration and allowance of all claims pending in the application, and passage of the application to issuance.

Applicants believe no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 503048, under Order No. BA1-02-1482 (02-1482) from which the undersigned is authorized to draw.

Dated: January 21, 2006

Respectfully submitted,

By
